Deep Water Duck Potato tubers, \$25 per 1000; \$3 per 100.

Water Lily

American Lotus Lily seed. In its natural condition the shell of this seed is very hard, and the seed will often lie a life time without germination. To insure quick germination, we have perfected a method of treating the seed chemically, and we are glad to say that our treated seed will now germinate in ten days to two weeks.)

Treated seed \$1.50 per lb; \$1.62 per lb. postpaid.

White Water Lily tubers, large tubers that will produce quick results, \$15 per 100; \$2.50 per dozen. Smaller tubers, under 4 inches long, will produce good results, but take longer, \$5 per 100.

Yellow Water Lily tubers, large tubers \$20 per 100; 12 for \$3.

Water-weed (Elodea) plants \$5 per bushel.

Wild Celery, winter-buds (tubers) \$15 per 1000; 300 for \$5; 100 for \$2.

Seed, highly germinable, available for early spring planting.
